

Message from the Headteacher

Dear Parents,

It has been great to see so many parents in school this week for meetings with teachers – I hope you have found the information useful. Thank you to everyone who took the time to fill in a questionnaire about the school while they were here. The school leaders and governors are always looking to keep developing and improving our provision to provide the best we can for our children and families so your feedback is really valuable. If you have not been able to attend a parent's appointment this week, please contact the class teacher on Dojo to arrange a time.

As it is Bonfire Night on Sunday, F2 have had a visit from a fire fighter to tell them about the role and talk to them about keeping safe around fireworks. In assembly today we have watched a presentation from South Yorkshire Fire and Rescue about Dark Nights where we thought about firework safety but also road safety and how to be seen by traffic on dark nights. If you would like to watch this at home with your child it is available on YouTube by following this link:

Have a lovely weekend
