Message from the Headteacher

Dear Parents,

We have so many talented children in school and its lovely to see them shine in different areas of the curriculum. All the KS2 children enjoyed listening to Class 6 perform 'Happy' in assembly for us. They have been learning about lead and backing vocals and sang really impressively together as a class.

Class 6 are great role models for the younger children in school and this week they have also made us proud with their positive attitude towards the assessments they have taken, showing how much progress they have made.

In PE this term children have been completing a unit of gymnastics work and over the weeks I've seen real progress in their confidence and skills in using jumps, rolls and balances on the apparatus. Well done everyone!

Have a lovely weekend, Miss Stothard
