

Message from the Headteacher

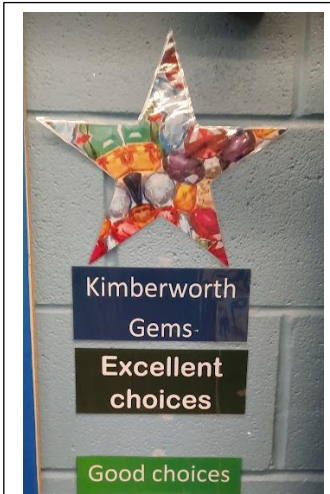

Dear Parents,

Happy new year and welcome back to the Spring term. It's been lovely to welcome all the children back and to see them enjoy getting straight in to our new projects for the term. Knowledge organisers with the important facts and vocabulary each class is learning will be shared with you on Dojo. If the children can talk about this with you at home and explain what they have been learning it really helps this new knowledge to stick!

In our first assembly of the term we talked about our behaviour rules and why following them and showing kindness is so important in our school family. We have so many children who do this every day that we are trialling adding an excellent choices step on our charts to recognise when someone goes above and beyond for others and I'm pleased to say that 3 children have achieved this during the week. Our junior leaders will find out how the children think this is going later in the term.

The weather forecast is for the weather to turn wintery next week. Please make sure that the children come in something warm every day as we always get outside whenever we can. If we do have snow, keep your eye out for any messages on Dojo and an update would be added to the school website too.

Enjoy the weekend, Miss Stothard

UPCOMING DATES
