

Message from the Headteacher

Dear Parents,

We are always looking for ways to improve the school environment for the children and during the holiday a new gazebo has been built in the playground. Over the next few weeks this is going to develop into a fantastic outdoor learning space and library for all the children to enjoy. We are also going to get the gardening club back up and running to do some planting for us there.

The first event organised by our new parent group – a Spring Bingo evening – was a huge success. We were really pleased that so many families came along. Going forward, the group will be planning other activities for our children and families and it would be great for more parents to be part of this. Just let Mrs Nicholson or Mrs Brunyee know if you would like to join.

After school clubs started again this week and our new scooter club for Key Stage 1 children was a real success. There are still places available to book on Arbor for some clubs if your child would like to join.

On Thursday next week the school is being used as a polling station and so will be closed to the children. This will be our final INSET day this year. We will be open as usual on Friday.

Enjoy the weekend,

Miss Stothard
