

## Message from the Headteacher

Dear Parents,

Class 3 have had visitors from South Yorkshire Fire and Rescue this week to talk to them about fire safety. They listened really carefully and learned lots about smoke alarms, fire safety in the home what to do in an emergency.

Class 2 enjoyed a fantastic visit to Yorkshire Wildlife Park to find out more about African animals and were really lucky to see the new lions that have arrived there up close. The staff were very proud of how knowledgeable all the children were in the workshop session how well behaved and sensible everyone was. This was commented on by members of the public so well done Class 2!

The weather has suddenly become much warmer this week and so we've been making the most of our lovely school grounds. I've seen children learning outside while revising for SATs, orienteering, planting, playing tennis and having stories to name a few activities. Please remember to send children with their water bottle and sun hat on warm days.

Next week, Class 6 will be taking their SATs tests. They can be confident that have worked hard all year, showing a brilliant positive attitude to learning, and so they are ready to show what they can do. Good luck to them all!

Enjoy the weekend,

Miss Stothard
