

## Our Project Overview

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Foundation 1	I wonder what is special about me?	I wonder what happens in Autumn?	I wonder what animals live around the world?	I wonder how things grow?	I wonder how things move?	I wonder what is at the seaside?
Foundation 2	I wonder what is special about the people around me?	I wonder what is in the woods?	I wonder what's out there?	I wonder what changes in Spring?	I wonder how things have changed?	I wonder where people live?
Year 1	What was it like when you were younger?	How can we care for our pets?	What is it like to live in my community?		If you go down to the woods today, what would you find?	What is it like in England's capital city?
Year 2	How does it feel to be at the seaside?	How do minibeasts survive?	How have monarchs influenced the UK?	What is it like to live as a child in Africa?		What do plants need to grow?
Year 3	How did metal change everyday life in Britain?	Where does our food come from?	Why do volcanoes erupt?	Do snakes have skeletons?	Who was Zeus?	Where does water come from?
Year 4	What did the Romans do for us?	How do animals survive in our world's seas and oceans?	What happened when the Romans left Britain?	How do mountains and rivers affect people who live near them?	What happens to the food we eat?	What is it like to live in the USA?
Year 5	How did steel change our local area?	What is beyond our planet?	How do tropical rainforest affect our world?		How has medicine changed our lives?	Who built the pyramids?
Year 6	How have animals adapted to live in the harshest of conditions?	How did Charles Darwin influence scientific thinking?	How did World War 2 affect children's lives?		Why is it important to have a healthy heart?	What is the legacy of the Mayan civilisation?
